| Cleburne County 1.8 NE Quitman to 1.5 E Pearson | 20 | 1110CST 1117CST | 5.8 | 150 | 0 | 0 | | | Tornado (F1) |

A weak (F1) tornado knocked down utility poles near Pearson (Cleburne County) during the afternoon of 05/20/2001.

An F1 tornado first touched down about 2 miles northeast of Quitman. Along the path of the tornado, a large metal barn was destroyed and another was badly damaged. Several other barns had portions of their tin roofs taken off. There were numerous trees blown down, along with some power lines and a couple of power poles. The worst damage appeared to be along Highway 16 just northwest of Highway 25 in the Pearson community. The tornado lifted one and a half miles east of Pearson

ARKANSAS, Central and North Central

A weak (F1) tornado twisted a tree about 4 miles east-northeast of Vilonia (Faulkner County) during the evening of 05/20/2001.

An F1 tornado touched down one and a half miles northeast of Vilonia. Along the path of the tornado, trees were blown down onto two houses. One house suffered crushing of the roof and a couple of the walls, while the other house had roof damage. Several other houses lost shingles off their roofs. In addition, a couple of sheds were blown away and a number of large trees were blown down. After traveling 4 miles, the tornado finally lifted a little more than 5 miles east-northeast of Vilonia

A weak (F1) tornado heavily damaged a newly constructed home near Enola (Faulkner County) during the morning of 05/30/2001.

A weak tornado was spawned in Faulkner County. The tornado developed 2.7 miles west-southwest of Enola. The tornado damaged a house that was under construction. A large metal barn was destroyed, with two cows killed and three injured. A couple of sheds collapsed and tin was torn off or peeled back on several barns. Two cattle trailers were overturned and a 4-wheeler was moved about 30 feet. A number of trees were blown down along the path of the tornado. Some swing sets were overturned and yard furniture was blown around. The tornado dissipated a little more than a mile west-southwest of Enola.
